- (b) If you distribute the Work, you must keep intact (i) all copyright notices for the Work, including the attribution in such notice and (ii) the title of the Work.

- (c) If you reproduce or distribute the Work either by itself or as part of any collection, you must not distort, mutilate, modify or take other derogatory action in relation to the Work which would be prejudicial to the copyright holder’s honor or reputation.

- (d) The license granted hereunder is subject to the nonexclusive license rights of the United States Government in the Work which arise out of its sponsorship of the research which led to the creation of the Work.
