Topic Description

Nominator(s): Individual

Nomination Summary: Nominator is seeking resources for affordable health care, in particular for adults under 65 who do not receive Medicare.

Considerations

- The Agency for Healthcare Research and Quality (AHRQ), through its Evidence-based Practice Centers (EPCs), sponsors the development of systematic reviews to assist public- and private-sector organizations in their efforts to improve the quality of health care in the United States. These reviews focus attention on the evidence from research studies about the effectiveness and safety of a clinical intervention.
- The topic does not meet EHC Program appropriateness criteria. (For more information, see <http://effectivehealthcare.ahrq.gov/index.cfm/submit-a-suggestion-for-research/how-are-research-topics-chosen/>.)
